

Horse Sense

is a line of professional performance equine shampoos with beautiful packaging and labeling.

All Horse Sense products are available in unique, ergonomically designed gallon and liter bottles with convenient handles.

Receiving rave reviews from owners, trainers and breeders for the show ring results they deliver!

"I tried my sample of ULTIMATE® shampoo and was totally amazed with the dirt that was rolling off in the suds on a relatively clean Palamino. I saved the WHITE KNIGHT® for the white mane, tail and legs. It left the whitest white, almost iridescent, with one washing. I have never used a product that works so well or rinses so well. I have been washing horses all my life and I am so sold on these products!"

- Pauline Troxell, Fallbrook CA
Five-Time World/World Reserve Champion
APHA, PtHa, PHBA

BOOT GUARD®

LEATHER DRESSING

...preserves, restores and waterproofs all leathers. Contains pure beeswax, pure lanolin and natural oils which protect against drying, cracking, stitching damage, delamination and salt stains. Safe to apply by hand. Perfect for all seasons. Great for most leather products: boots, athletic shoes, saddles and tack, purses, wallets, briefcases, belts and accessories.
